Compatibility of all files is at our discretion. Incompatible file may incur additional charges at \$27.50 per quarter hour.

How to send

Email: Up to 8 MB per message

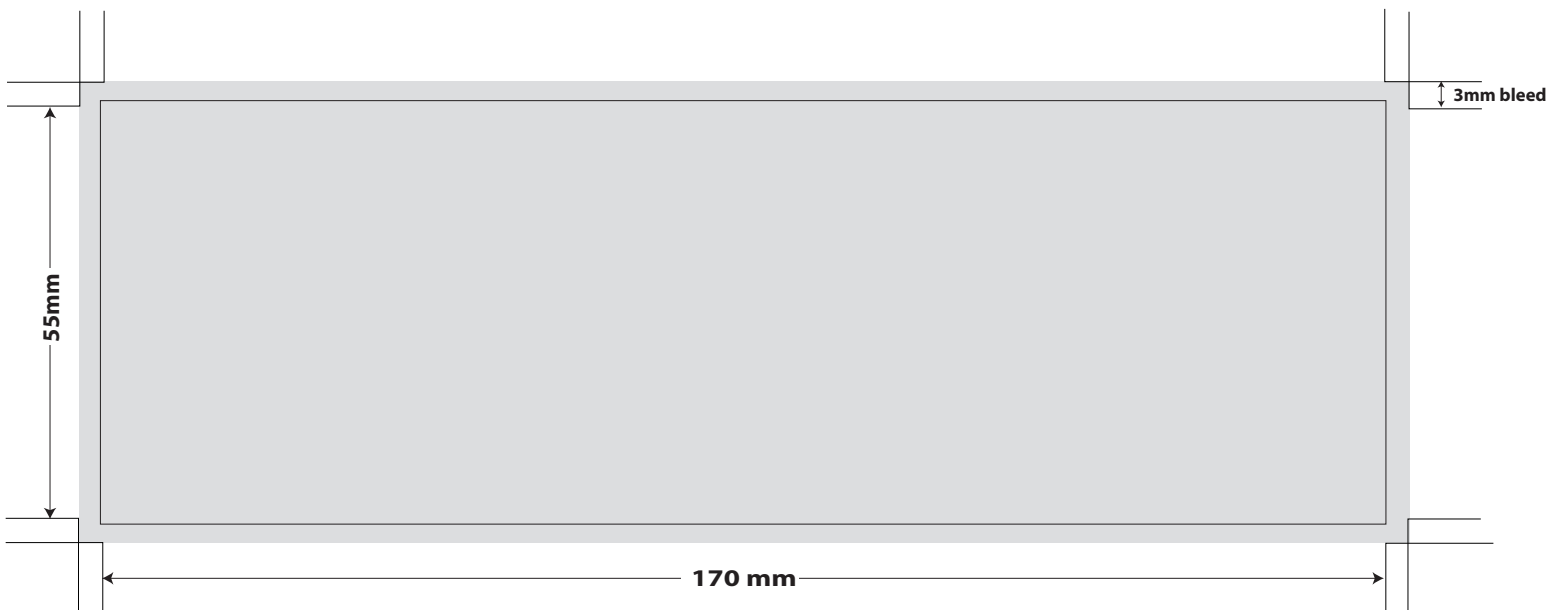

CD- ROM

Or send via www.sendspace.com

IMPORTANT REQUIREMENTS FOR YOUR LABEL DESIGN

Please ensure to include the correct side panel information, relevant to your bottle type (PET or Eco) found on the templates.

This contains water analysis information as well as contact information for the supplier. This is mandatory if you intend to retail your bottled water and is highly recommended, out of courtesy, to the consumer even if you aren't.

Design Templates Below - Please choose carefully dependant on your bottle type (Eco or PET)

750ml Eco Bottle template for use with dark backgrounds

This EcoBottle is made from plants, not oil, using **Ingeo™** natural plastics. A more responsible alternative to regular plastics.
